Cloud-Native Computing: A Survey from the Perspective of Services

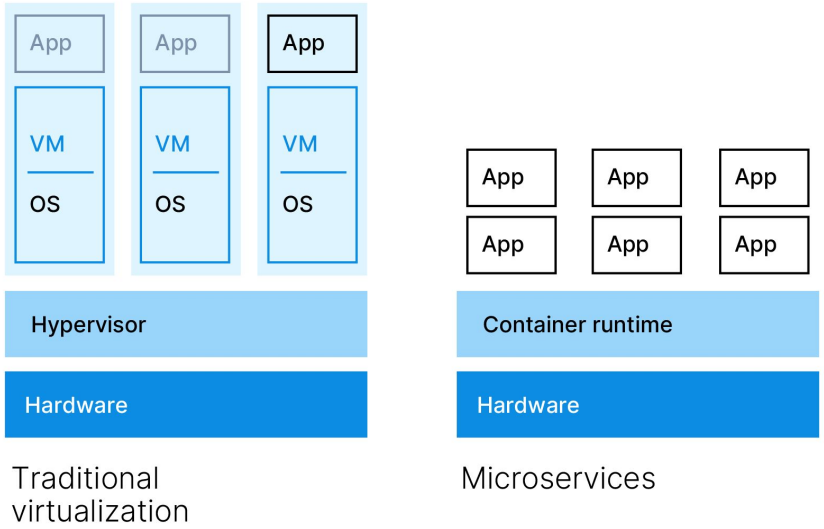

Paper Review
-Taylor Kaser

Introduction to the Paper

- A summary of cloud computing strategies and challenges
- Technologies that assist in the development of cloud native applications
- Containers Containers Containers

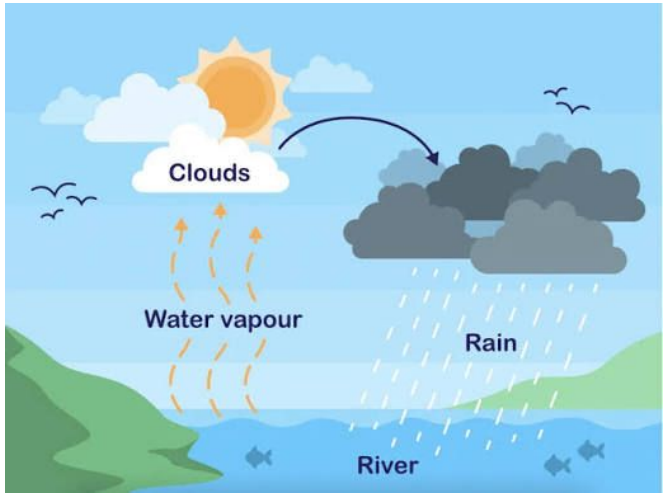

Concept Review: What is a Container

Life Cycle of Cloud Native Applications

- Building
- Orchestration
- Operate
- Maintenance

Orchestration Tools

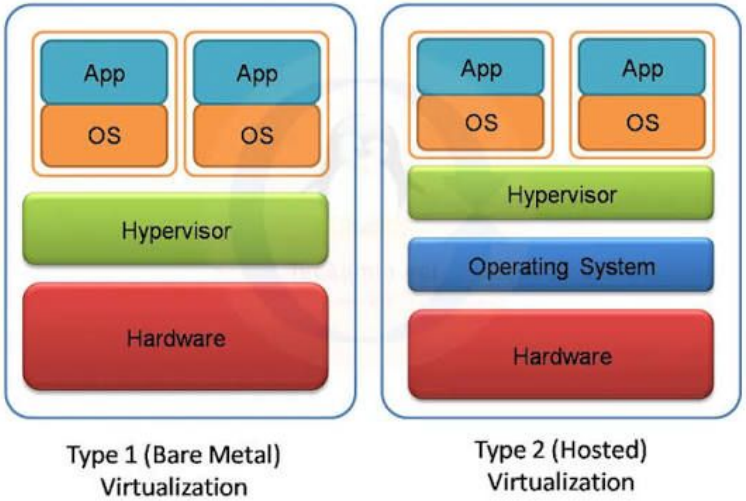

- Kubernetes
- Mesos
- YARN
- Docker Swarm

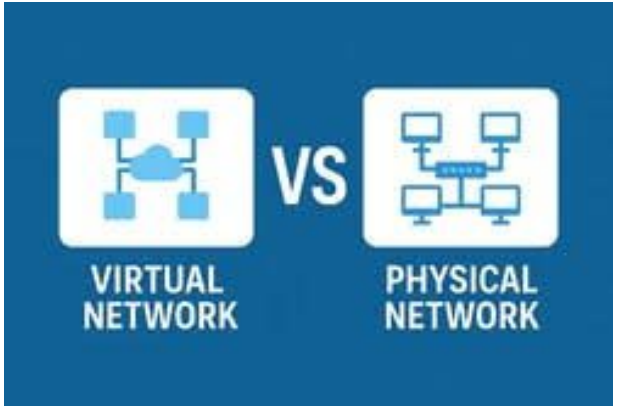

Kubernetes

Concept Review: Type 1 vs Type 2 Hypervisors

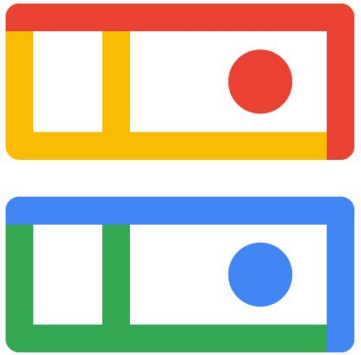

Network Virtualization

Storage Virtualization

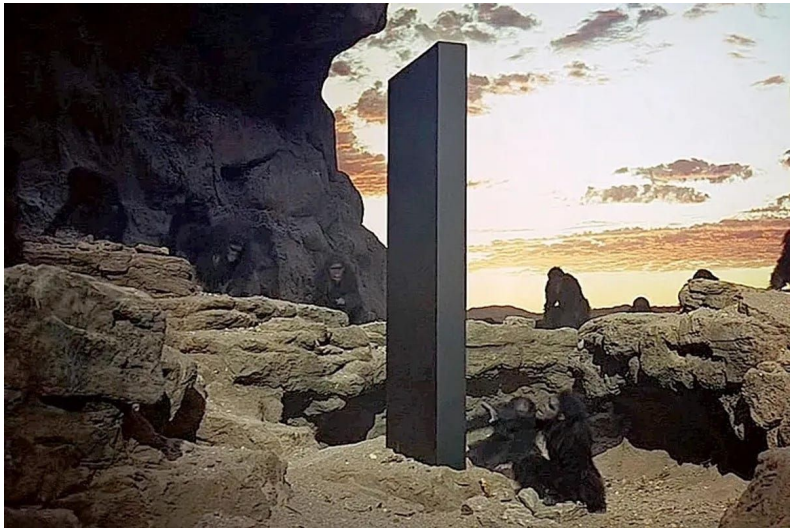

Back to K8's

Performance Metrics

From Monolith to Microservices

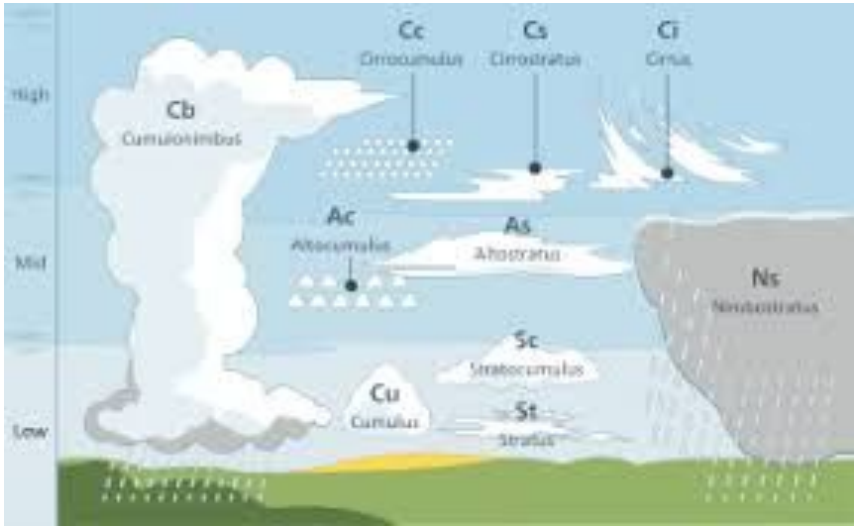

K8's Again !?!
